### Rules

Any client of Con-Tests', new and existing, will be eligible to win. Individuals must register to be eligible to play. Registration includes providing name, company, and telephone number. The name listed as the project manager on Con-Test's Chain of Custody will be the name entered into the drawing. Names will be added to drawing when samples for each project are entered into Con-Test's LIMS system. Projects must be valued at five-hundred dollars (\$500) or greater, per work order. There is no limit to the number of times an individual can enter to win (the more projects you submit, the better your chances to win!). Promotion begins on January 23, 2012 at 8:00AM and ends on March 16, 2012 at 5:00PM. Projects entered into LIMS after 5:00PM on March 16, 2012 will not be eligible. Winners will be notified by phone after the drawing on March 23, 2012 at 12:00PM. The winner will receive one (1) Apple iPad 2, to be shipped or delivered within two (2) weeks of drawing date. The Apple iPad 2 cannot be exchanged for any other offer or cash value.
